Curacao - Curacao

Santa Maria

Listing ID: 00087542010

In earlier days the complex was in use as a warehouse and carpentry/ construction/welding facility. It is 2600m². The main building consists of one large open space (storage) and a separate toilet / washroom and a small office. Upstairs of this warehouse there is a small, one bedroom living area apartment also. There is a second building on this lot that can be used as warehouse also or working area. This lot also comes with extra open lot area that could still be developed upon the use of this space. (Apartments, warehouse space, living space....etc.....according to permission) Permission is granted to build. The main entrance consists of two rolling iron doors. The floor is fully cement. Electricity, telephone connection and water supply are present. Ample parking in the surrounding neighborhood also. You are free to use your imagination in creating something completely different. It is possible to transform the space into an office space, or even living apartments with possibility of expanding more. Commercial no: cs178
