Located in the picturesque hill in San Diego, La Libertad, El Salvador, this new Subdivision project offers a unique opportunity to own a piece of land with stunning ocean views and convenient access. Situated just a few meters away from the main road, the majority of the available lots boast spectacular ocean vistas, making it an ideal investment for those seeking a peaceful and secure retreat surrounded by nature. One of the key advantages of this development is its tranquil and exclusive setting, providing residents with a serene environment to build their dream home. With feasibility for electricity and potable water already in place, residents can enjoy modern comforts while being immersed in the beauty of their surroundings. It's worth noting that each new buyer will be responsible for installing their own septic tank for wastewater management. The lots within this project typically feature a rectangular shape, starting at 20 meters by 10 meters, totaling 200 square meters in area. For those looking for larger plots, there are options available to suit various preferences and needs. Among the amenities o
