Puerto Rico - Las Piedras

Las Piedras

Listing ID: 001954086005

Land located in a beautiful mountain area, this lot offers spectacular views and a prime location on a quiet cul-de-sac, providing greater privacy and tranquility. It measures 1,448.51 m2. Just 5 minutes from town, with easy access to schools, hospitals, and main roads. If you enjoy the countryside setting but want to stay close to everything, this is your best option. Perfect for building your dream home in a natural and convenient environment.
