Puerto Rico - Salinas

Salinas

Listing ID: 001954188001

Land for Sale – Lapas Neighborhood, Salinas (The Vue) Unique investment opportunity in the picturesque Lapas neighborhood of Salinas. This sprawling 23.3 acres of land offers a spectacular natural setting with great potential for tourism, agricultural, or residential development. Currently, the property has a fully conditioned container car successfully operating through Airbnb, allowing for immediate income generation while the remaining land is developed. Its strategic location combines privacy, scenic beauty, and easy access to major thoroughfares and points of interest in southern Puerto Rico. The area is known for its tranquil atmosphere, year-round warm climate, and proximity to beaches, mountains, and tourist attractions. Highlights:

- 23.3 acres of land with varied topography and panoramic views.
- Air-conditioned container in operation through Airbnb.
- Vehicle access and nearby services.
- Ideal for eco-tourism development, agrotourism farm, or retirement project.

A property with vision and profitability from day one — The Vue at Salinas invites you to build your next major projec
