Panama - Chiriquí

Boquete

Listing ID: 002492429042

This farm is an impressive place for coffee lovers. Located in Boquete, one of the most important coffee producing regions in Panama, this farm has an extension of 25 hectares, of which 31.5 hectares are total. With an altitude of 1550 to 1600 meters above sea level, this farm offers a perfect climate for growing the highest quality coffee beans. The farm has different varieties of beans, including catuai, tipica, caturra, borbon, geisha, san ramon and mundo novo. In addition, the farm has export permits, which means that coffee beans from this farm can be shipped anywhere in the world. The farm's internal roads make it easy for workers and visitors to tour the farm. Another great benefit of this farm is its groundwater well, which is 95% pure, allowing the farm to exploit the water for crop irrigation and other uses. In summary, this coffee farm is a true treasure of Panama, combining natural beauty with the production of the highest quality coffee. A Little History of Coffee in Boquete, Panama Boquete, a region in the province of Chiriqui in Panama, is famous for producing some of the best coffee beans in
