Listing ID: 002762479027

Welcome to a rare investment opportunity in one of Chiriquí's most promising commercial destinations. This 4-hectare, 7,738-square-meter commercial land is strategically located in La Concepción, Bugaba, diagonally across from the Romero supermarket on the Interamerican Highway. Strategic Location in La Concepción: La Concepción has witnessed impressive economic growth in recent years, solidifying its status as the most important commercial area in the Bugaba district. With its proximity to the Xtra supermarket, Delta fuel station, and other essential services, this land sits at the epicenter of a thriving economic activity. Ideal for Investors: This land is a rare gem in La Concepción. It offers a 133-linear-meter frontage on the Panamerican Highway, making it a perfect blank canvas for high-impact commercial developments. Additionally, its entirely flat topography and a creek that traverses part of the land add natural charm and versatility to this opportunity. Diverse Development Possibilities: This land is ideal for visionary investors looking to capitalize on the cont
