Panama - Chiriquí

Renacimiento - Rio Sereno

Listing ID: 002762479030

Lot 1 Discover a unique investment opportunity in high-altitude agriculture in Renacimiento, Panama. This stunning 140.15-hectare (346.31 Acres) estate offers an idyllic setting for cultivating coffee, avocados, and other products characteristic of the region. With an elevation ranging from 1,100 to 1,350 meters above sea level, and temperatures varying from 22°C to 31°C, the conditions are perfect for exceptional harvests. Key Features: Prime Location: Located in Santa Clara, Chiriquí, this estate is nestled in a naturally beautiful and tranquil environment. Diverse Terrain: The topography ranges from rolling to rugged, offering opportunities for various types of crops. Rich Ranching History: While currently a working cattle ranch, its potential for producing high-altitude coffee and avocados is exceptional. Access to Freshwater Sources: With three aqueducts and water intakes from the Guisado, Candela, and Chievo rivers, irrigation is secured for your crops. Panoramic Views: Enjoy stunning 360° views encompassing valleys, rivers, and mountains, creating a truly inspiring setting. Accessib
