Agroforestry Land for Sale – A Sustainable Investment Opportunity

Looking for a space where nature and productivity thrive together? This agroforestry-oriented land is ideal for projects that blend agriculture, conservation, and community development. Strategic Location: El Marañon, Villanueva, Cortes. Land Size: 2,961 Acres (12,180,708.94 M2)

Natural Resources: Fertile soil, access to water sources—perfect for mixed crops, reforestation, and ecotourism. Agroforestry Potential: Ideal for implementing agroforestry systems, nurseries, organic farming, beekeeping, or environmental education projects.

Accessibility: Well-maintained access roads, close to distribution centers and rural communities. Growth Projection: High demand area for green initiatives, agricultural cooperatives, and responsible tourism. This land is more than an investment—it's a commitment to the future. Perfect for those looking to create economic, social, and environmental impact. Contact us today for more details and to schedule a visit. The land is ready
