

# FOR SALE

\$ 150,000.00 USD

El Salvador - Usulután

Concepcion Batres

Listing ID: 003113372002

Imagine building your own home with mountain views and access to exuberant mangroves (salt forest). This land of 60,000 Sq.Vr is home to the absolute tranquility and the kindness of its community members. This property has access to Puerto Viejo where you can dock and sail by boat through water channels as well as enjoy outdoor activities and the proximity to beautiful beaches, such as El Espino beach. The property is ideal for a residential, plotting or country house project, with an ecological approach.
