Belize - Ambergris Caye

San Pedro

Listing ID: 100091941001

Have you visited San Pedro Ambergris Caye, Belize? If the answer is yes, then you've probably also visited the famous Secret Beach, the most gorgeous scenery in Belize! Now, just imagine being able to own property on the beautiful island of San Pedro Ambergris Caye at Secret Beach Subdivision. Well, now you can! Your once in a lifetime opportunity is here and it might not last for long since this newly created subdivision has seen tremendous growth and only a few properties are still available for sale! One of the key features that makes these properties so attractive to buyers is its close proximity to the region's top beach destinations, "Secret Beach" along the West Coast of Ambergris Caye. The properties are located on the West Coast of Ambergris Caye, roughly 3 miles from San Pedro Town. Tourists and investors from around the globe are drawn to this area for the beautiful beaches and pristine Caribbean Sea. As Ambergris Caye continues to grow, the logical next place for development is the West Coast. With the new East/West road expansion, Secret Beach has beco
