Belize - Corozal District

Sarteneja

Listing ID: 100092165003

Welcome to the serene village of Sarteneja, Corozal, where this enchanting wooden 376.3 square feet home awaits you just a couple of blocks away from the sparkling waters. This income-generating Airbnb property exudes rustic charm and offers a unique opportunity to invest in a tranquil oasis surrounded by natural beauty. Nestled amidst lush greenery, this cozy wooden home captures the essence of a peaceful retreat. The use of locally sourced materials showcases the beauty of wooden architecture, reflecting the craftsmanship and warmth that only wood can provide. The 376.3 square feet of living space has been thoughtfully designed to make the most of the property's charming setting. While modest in size, the layout ensures a comfortable and inviting experience for both guests and owners alike. As an income-generating property, this charming wooden home has already been established as a successful Airbnb rental. With its proximity to the water and the appeal of Sarteneja as a vacation destination, this rental unit attracts guests throughout the year, ensuring a steady stream of income. The location of the prope
