Savegre de Quepos

Listing ID: 400202255061

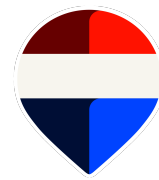

This spectacular farm of 200 Ha, located in the beautiful town of El Silencio, is a unique investment opportunity for an eco-friendly project due to the shape and size of the land in an excellent and easy access location. It's only 15 minutes away from the Quepos airport, 20 minutes away from Manuel Antonio National Park, and 2 hours and 30 minutes away from San José. This farm was originally born as an agricultural association which is surrounded by the planting of African palm since it's a rich area for farming of all kinds of organic products. This community supplies the workforce for this association making it a self-sufficient town for agricultural exploitation that can also include cattle raising and other activities. Due to it's richness in flora and fauna, this farm works as an ecological corridor with a great variety of species; such as monkeys, sloths, and all kinds of birds. This makes it an outdoor paradise. On it's upper parts, the property has a spectacular view of the Pacific Ocean and the African palm plantations, which makes it unique in its kind. Part of this experience are the magnificen
