[Listing ID: 500012320008](#)

This gargantuan property is going for a steal and won't be on the market for long. This is being listed for not more than EC \$2 or US \$0.75 per sq ft. The property has 5 acres that have already been approved for residential development. This land is perfect for developers looking to invest and take their ideas from the drawing board and into reality. This property has incredible potential. There are great tourism and commercial uses for the land, the possibilities are endless here, the only limit here is your own imagination. The property can also be used for residential or agricultural purposes, the land itself is incredibly versatile. The land is currently wooded and mostly flat, it does have gentle slopes in some parts. Please contact us for more information.
