Puerto Rico - Isabela

Isabela

Listing ID: 00195538022

Build your island escape on this 515 square meter lot in Isabela, just minutes from the iconic waves and sunsets of Jobos Beach. Surrounded by mature palms and lush greenery, this property offers a serene tropical setting ideal for a private residence, vacation home, or eco-friendly retreat. A rare opportunity to own land near one of Puerto Rico's most sought-after beach communities. Located in one of Isabela's most desirable coastal areas, this 515 square meter lot presents an excellent opportunity for development near Jobos Beach. With a natural tropical backdrop and strong demand for vacation rentals and second homes, this property is well-suited for residential or income-producing use. Enjoy proximity to surf, dining, and the laid-back west coast lifestyle Puerto Rico is known for.
