Welcome to El Paraiso Azul, an iconic Eco-Lodge located on the prestigious Perezoso Road in the sought-after village of Ojochal de Osa famous for its friendly locals, large international ex-pat community, wilderness and views, fantastic restaurants and incredible beaches. The lodge rests atop the first ridge above the ocean, a high-demand location speckled with restaurants and estate homes which overlook the Pacific and, on the other side, offer majestic mountain vistas. And speaking of the views...they are SPECTACULAR.... one could even say jaw-dropping! The flat Pacific Ocean horizon extends from left to right, meeting the Costa Rican coast just 300 metres away from the lodge – you can see and hear the waves! On your right you see the vast expanse of the ocean while on your left is a maze of protected sandbars, islands and mangroves that make up the vast Terraba River delta. This is the longest river in Central America and one of its delta arms enters the ocean 'front and centre' of the lodge – the waters of the river meet the power of the Pacific creating very interesting wave p
