Costa Rica - Puntarenas

Quepos

Listing ID: 400202494083

Discover two exceptional 2-acre lots strategically located along the bustling main highway connecting Quepos to Dominical in the rapidly developing Matapalo area. These versatile properties are perfect for a wide range of commercial and residential ventures, including forestry, reforestation projects, ecotourism centers, research and education facilities, restaurants, cafes, and tourist accommodations. Just 10 minutes from pristine beaches, these lots enjoy high visibility and accessibility, offering an excellent opportunity to serve travelers journeying between San José and Manuel Antonio to Dominical and Uvita. The lack of nearby dining, retail, and recreational options makes this an ideal spot for businesses such as restaurants, bakeries, souvenir shops, or cafes. Don't miss the chance to invest in this rapidly growing corridor, where natural beauty meets entrepreneurial potential! Price is \$75,000 each lot or \$150,000 together.
